Year 3 Maths: Adding and Subtracting up to 1,000

Name: _____ Date: _____

Have a go first, then check the answers with a grown-up.

Practice

1. 45 + __ = 100

2. 600 + 300

3. 256 + 70

4. 263 + 48

5. A bus has 36 people on it. 18 get off and 25 get on. How many are on the bus now?

Spot the mistake

6. What is wrong? "For 137 + 54, line up the 5 under the 1."

7. What is wrong? "In 352 – 128, do 8 – 2 = 6 because it is easier."

8. What is wrong? "34 + 76 = 100."

9. What is wrong? "After renaming, leave the extra ten out."

Answer key (for parents and tutors)

1. 45 + __ = 100
   55
2. 600 + 300
   900
3. 256 + 70
   326
4. 263 + 48
   311
5. A bus has 36 people on it. 18 get off and 25 get on. How many are on the bus now?
   43 (36 – 18 = 18, then 18 + 25 = 43)
6. What is wrong? "For 137 + 54, line up the 5 under the 1."
   Line up from the right: 4 under 7, and 5 under 3.
7. What is wrong? "In 352 – 128, do 8 – 2 = 6 because it is easier."
   Always take the bottom number from the top. Rename a ten so it is 12 – 8 = 4.
8. What is wrong? "34 + 76 = 100."
   34 + 66 = 100. Count on 6 to 40, then 60 to 100.
9. What is wrong? "After renaming, leave the extra ten out."
   Add the renamed ten into the tens column: 3 + 5 + 1 = 9.
